The committee received several compliments from the registered bonspielers on the wonderful event and all attending appeared to have a great time. With the Bonspiel theme of *Viva Las Vega!* the committee was able to create a Vegas-style atmosphere complete with Vegas-style games both on and off the ice. On the night of the Banquet, some of the teams dressed up Vegas-style and the team with the best Vegas outfit won a prize. Teams were able to bid on auction items using their play money which was distributed at registration and/or won at the blackjack tables or through various contests throughout the bonspiel week-end. The Glen Meadows kitchen staff produced a fabulous roast beef dinner to a very grateful group of ladies. Once again, the Glen Meadows ladies were able to produce a first-rate event!

The committee thanks Lynn Wilson for producing the draw and the volunteers, Ray Johnson, Stan Hegstrom and Grant Marshall for sharing their time and energy to care for all aspects of the draw.

On Sunday, keepers and prizes were handed out to the top four winners in each event.
