

Duncan Masters Bonspiel

The Duncan Masters Spiel was held Monday December 2 to Wednesday the 4th, and while it was a very disappointing turn out, only 12 teams, I am very proud to say that 2 of those teams were from Glen Meadows..

Glen Canning with Dave Bolster, Bud Taylor and Ken Summers (Esq) and 5th Ed Bonnet, along with Lynn Wilson, Jim Begg, Grant Marshall and Foster Roze, made the daily trip over the Malihat to take on the teams from Mill Bay and Duncan area..

The Canning team managed to take the lead in their games, but somehow messed up the 8th end, but ended up in the prizes none the less.

Wilson's team won 4 straight in the Brandon draw to end up in first place overall. Wednesday in the playdowns they met up with Franklin and had a hard played game ending up after 8 ends including one blank 4 to 3, unfortunately our team had the 3. It was a very well played game on good ice..

Duncan put on a GREAT bonspiel, and for those of you who haven't taken it in, put it on your list for next year !!
