

Wille Dodge Juniors Win at Duncan

Glen Meadows was well represented by a skilled junior foursome at the Duncan Curling Club on Feb. 16th.

Ben England and James Mackey shared skipping and third duties, with second Ben Sammons and lead Arden Grew playing front end.

Our team came out on top of the advanced division of four teams. They met teams from Nanaimo, Qualicum, and Comox in a modified Brandon draw. After 3 six end games the guys gained enough points to guarantee first place, a gold medal and first pick at the prize table. Well done !!

All four advanced teams and the eight novice teams left the coaches and parents with huge smiles and pride to see the young curlers having such fun while doing their very best.

Thanks goes out to the Duncan Curling Club for a great junior curling day, a super lunch for all, and a prize for all curlers entered. A special thanks to Debbie Loewen and Duncan club members for organizing this special bonspiel.

We hope to see you all next year!!
